

# GET STARTED WITH SPORTSNOW

## Create account

1

Create your free SportsNow account and your first offer. You can find more information here: [Step 1: Registration](#)

## Get to know SportsNow

2

Getting started with SportsNow is easy. Get familiar with the features and start setting up your studio profile and settings. [Step 2: Set up your studio](#)

## Activate trial version

3

Test your desired premium offer and its features fully and without depositing a credit card. Read more here: [Step 3: Select and test premium offer](#)

## Clarify open questions

4

If you have any questions or uncertainties, please do not hesitate to contact us. Support center: [support.sportsnow.ch](mailto:support.sportsnow.ch)  
Contact: [support@sportsnow.ch](mailto:support@sportsnow.ch)

## Set up your studio completely

5

Complete your offer and set up the desired functions. Activate the desired premium offer afterwards: [How can I activate or change a premium offer or add-on?](#)

## Prepare the switch

6

Define a suitable date for the change and inform your members about it. Find all important information here: [Switch to SportsNow](#)

## Import your members

7

Use SportsNow's template to import your members directly from the old system. Test the import first with some test data and after that import all members. You can find instructions here: [Import members](#)

We wish you a lot of fun using SportsNow. A more detailed guide to help you make the switch can be found here: [Switch to SportsNow](#)

If you have any further questions, please do not hesitate to contact us!
